

The IARS International Institute

Community-led solutions for a fairer society

INVITES YOU TO DISCUSS

Young People, Early School Leavers and Enterprise

A Focus Group

24th January 2018

Canada Water Library

6.15pm – 8pm

Description:

IARS is currently working on a number of projects focused on getting young people into employment, in Europe and in London. To do so effectively, we want to discuss: the issues facing young people leaving school, at whatever age; the opportunities that are out there; and what we can do to help effectively.
